## **SPECIAL MEETING NOTICE**

\* \* \*

The Twin Falls Urban Renewal Agency and City of Twin Falls will host a groundbreaking event for the Main Avenue Renaissance Project at 12:30 p.m. Tuesday, April 11, 2017 in front of Columbia Bank on Main Avenue East and Shoshone Street.

The event will kickoff construction work that will replace streets, sidewalks, landscaping, and critical infrastructure along a five-block area of Main Avenue.

This groundbreaking event follows the annual State of the City Address, which will begin at 11:30 a.m. in the Orpheum Theater hosted by the Chamber of Commerce.

A quorum of the Agency Board and City Council may be present at both events.
